

## **MI ACE Initiative**

The Michigan Association of Health Plans Foundation (MAHP Foundation) received funding from the Michigan Health Endowment Fund to support the *Creating Healing Communities: A Statewide Initiative to Address Adverse Childhood Experiences (ACEs) in Michigan*. This initiative is focused on expanding efforts toward statewide awareness of Adverse Childhood Experiences and creating a statewide coalition to recommend development of appropriate interventions, state policy, and to provide for the implementation of Medicaid policy for ACE. This program is aimed at benefitting the health and wellness of Michigan residents.

To date the MI ACE Initiative has trained 132 Master Trainers & presented to over **13,000** individuals on ACE.
